# MESSAGE

## DR. MEENAKSHI SAWHNEY

Warm and hearty greetings to all,  
I am honored and feel so great to shoulder this responsibility as the Founder President and CEO of Global level La Global Foundation. I would like to thank you all for being members of this family and giving me an opportunity to serve you as a president. Our primary goal is to work towards the holistic development of the people across Health, Education, Water, Sanitation & Economic Development. Working towards implementing & supporting 17 global sustainable development goals. Alleviating Poverty and Providing Better life opportunities to the underprivileged and Marginalised has been a mission which we prioritise.

As our organization is on growing phase, we must make special efforts to expand our national and international reach, recruit new members, seek collaborations for SDG's, set goals, and provide room for future growth.

I am grateful to the all the members of La global foundation and the people who supported us for their valuable suggestions, donations and guidance. I hope that in the future, we will be able to better carry out our shared responsibility, which is to "Unite our Strength" and serve "We the Peoples."

We are grateful to have partnered with the various international and national ngos that believe in our vision just as much as we do. Our journey focuses on equalising accessibility and providing relief for the underprivileged. In the future, I hope we can broaden our horizons even more.

I believe that there is place for many new actions and improvements, with the goal to serve "We the peoples."

I look forward to having you associate with us one day and receiving some donation for our charitable events to help the underprivileged. We're a charitable organisation so even a little amount of donation for charity goes a long way!

All the best wishes for future .  
Live life powerfully

# EVENTS FORMAT

According to studies, we only recall a small portion of what we hear at conferences. People are prone to forgetting, and they forget quickly. This is due in great part to the learning methods employed. More dynamic, collaborative, and needs-focused the sessions are, the better you retain and use the information. The LGF event will experiment with a range of innovative formats in order to maximise learning outcomes. These include

## EXPERTS ON CALL

Practical guidance on healthcare and wellbeing. Various doctors, leaders and advocates will be there for better insight. Participants can be invited to ask questions in one-on-one 15 minute sessions.

## HARD CALL

Fast - paced, personal and highly interactive interviews. In a BBC style hard talk format, well-known and respected thought leaders can be interviewed.

## UP CLOSE AND PERSONEL

A series of informative, inspiring, energetic, 18-minute panel discussion TED/IGNITE -style talks on various health problems, and personal challenges faced in dealing with patients, or shaping change on the ground.

An open debate about a common interest issue with the goal of surfacing collective knowledge and facilitating the sharing of experiences, ideas, and insights.

## La Global Foundation Organised Global UN SDG Panel Conference Awards 2022

New Delhi: Venuar, La Global Foundation takes pride to inform you that the Global UN SDG Award Season 2 is scheduled on May 14th-15th, 2022. The event was held at Hakoom Abdul Hameed Auditorium, Jamia Hamdard, Hamdard Nagar, New Delhi 110052.

History: La global foundation, found in 2020 with a view to helping to transform one million lives every year through holistic development across health, education, water and sanitation and economic development by creating a scalable, replicable and community-centric model of sustainable development.

In 2018, the United Nations Sustainable Goals (Global Goals) were adopted by 193 member States of the United Nations in a bid to end poverty, protect the planet and ensure prosperity for all by 2030. It is remarkable though, that the Indian government has taken up to the task seriously and has started working alongside private sector to end poverty at the earliest.

The theme for this year's event was a CSR activity on the "Sustainability Awareness Program". This award was an ecosystem of goals of SDG and informed that government of India has
