MESSAGE

FROM THE PRESIDENT

DR. MEENAKSHI SAWHNEY

Warm greetings to all our members, partners, and well-wishers, It is both an honour and a privilege to serve as the Founder, President & CEO of Global Level La Global Foundation. I sincerely thank every member of our family for placing their trust in us and giving us the opportunity to serve communities and contribute towards a better future.

Our mission is rooted in the holistic development and well-being of people, with a focus on Health, Education, Water, Sanitation and Economic Development, while contributing towards the implementation of the 17 United Nations Sustainable Development Goals (SDGs).

At the heart of our work is a commitment to alleviating poverty, reducing inequalities, and creating better opportunities for underserved and marginalised communities. We believe that every individual deserves dignity, equal opportunity, access to essential resources, and the chance to build a better life.

As our organisation continues to grow, we aspire to expand our national and international reach, welcome new members, strengthen partnerships, and build meaningful collaborations that contribute to the SDGs and other shared development goals.

I am deeply grateful to all our members, supporters, donors, partners, and well-wishers whose valuable guidance, contributions and encouragement continue to strengthen our journey. We are especially thankful to the national and international NGOs and institutions with whom we have had the privilege of partnering in service of humanity.

Our vision is simple yet powerful: to unite our strengths, serve with compassion, and create meaningful and lasting impact.

Looking ahead, we hope to broaden our horizons and create more opportunities for collaboration, innovation and positive change. Together, we can work towards a future where accessibility, dignity, equality and opportunity are not privileges, but realities for all.

I warmly invite you to join us in this journey. Whether through your time, expertise, partnership, resources or contribution, every effort can make a meaningful difference. Even a small contribution, when united with the efforts of many, can go a long way in supporting those in need.
